To all your abilities,
now add the ability to save.

Making saving easier helps make life better.

There's no limit to what individuals with disabilities can do. Now, that includes saving, too.

The Achieving a Better Life Experience Act (ABLE) of 2014 allows those with disabilities and their families to save for many daily, disability-related expenses on a tax-deferred basis – without limiting their ability to benefit from supplemental security income (SSI), Medicaid and other federal programs.

A message from the Office of the State Treasurer:

“Delaware’s ABLE plan allows individuals with disabilities to access a better quality of life without jeopardizing other important government benefits. The ABLE plan creates a strong fiscal future for account holders, while providing a sense of stability and place for family and friends to lend support.”

– Colleen C. Davis, Delaware State Treasurer
